Re: Dangerous Waste Compliance Inspection on July 28, 2015, of the Single-Shell Tank System –
Generator Activities, RCRA Site ID: WA7890008967, NWP Compliance Index No. 15.545

Dear Mr. Smith and Mr. Lindholm:

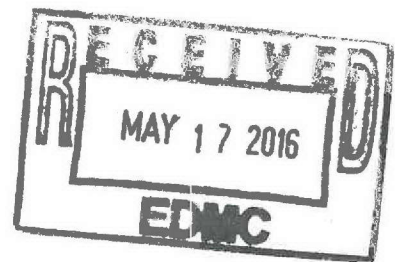

The Department of Ecology (Ecology) reviewed your letter and enclosures (Reference) and documents received on May 5, 2016, correcting the items of non-compliance identified in Ecology's February 22, 2016 letter and compliance report. Ecology has determined there are no outstanding issues remaining from that inspection.

Ecology may re-inspect your facility to verify that these steps were taken and that your facility remains in compliance.

If you have any questions or would like to correct or clarify information in this letter, please contact me at edward.holbrook@ecy.wa.gov or (509) 372-7909.

Sincerely,

Edward Holbrook
Dangerous Waste Compliance Inspector
Nuclear Waste Program
